PRESIDENT'S BLOG

Hello and welcome back.

What looked like a great start back to training last term, ended very abruptly – thanks again Covid-19.

I hope you all survived lockdown and it didn't give you any extra worry to an already stressed situation. Although, I am sure most of the dogs (and other petsand maybe even the kids) welcomed the added time with you.

I know that the Covid-19 situation and regulations will change over the next weeks or months. We will keep you updated on how we progress through the government regulations, and thank-you for being here with us.

I am really looking forward to training again, and I am also looking forward to seeing all of the friendly faces and your wonderful dogs. We missed you.

We are heading into summer and we all know that summer heat can creep up, so keep a water bowl handy and fill it up regularly.

We have got some great things happening around the club grounds by the committee, along with the council. The plan is to level the ground to prevent water pooling in front of the gates. Also we will be replacing the fences this financial year. All this comes at a cost, both on the money side as well as time and effort. If you can help or volunteer some time, please see any one of the people in the red shirts. It is never too late to offer help.

We hope in the upcoming weeks you will be able to relax after class in the undercover area – to be able to pull up a chair and sit back for a bit. Our wonderful instructors or committee members would love the company.

SCOOP THE POOP

You are required to clean up after your dog if it defecates on Club grounds

You can be prepared, wherever you go, by arming yourself with a small plastic bag or two. Simply put your hand inside the bag, scoop up the offending pile, reverse your hand out of the bag and tie the neck of the bag. Then dispose of thoughtfully.
