# PRESIDENT'S BLOG

Hello to those who are new to the club ... thanks for choosing us to help you train your dog. For those who are returning, all the best in your continued training. I look forward to meeting everyone throughout the term.

We had our annual general meeting in August and I would like to welcome our new committee for 2022 - 2023, great to see some new faces helping out. We still have lots to do at the club to improve our grounds. This term you will also see the mural starting to take shape, with member's dogs being painted on the walls of our containers. This is to celebrate our 30 years of training people and their dogs. Hard to believe we have been around this many years and I hope we can continue into the future with many more years to come. If you can help or have any ideas regarding the grounds, or the club in general, please don't hesitate to approach anyone in a red shirt and they will direct you to a sub-committee or committee member. New ideas are always welcome.

During the summer months, we sometimes struggle with the burrs and prickles on the grounds; these attach easily and hide in dog hair/fur. So after training, remember to brush your dog. We will also hope to hold another working bee this year, so please look out for the notices at the club, on Facebook and on the website.

With the weather also warming up, we need to be a little more attentive to our dogs (and ourselves). While out on the grounds remember to bring a hat, apply the sun-screen and break regularly to have some water; both for yourself and your dog ... you may need it. If you do happen to forget, visit our shop. We have water for sale and sunscreen to apply.

At the end of this term, we will hold our annual Christmas raffle and BBQ and also hand out some well-deserved awards to members. Each year the committee and instructors get together to identify hard working members of the club for their efforts in dog training. As this year is special to us, we are hoping to engage the Deputy Major to do the honours of handing out these awards. Please make this a great year and help raise money for the club and watch members receive their awards. At this stage we will be asking for donations for the raffles and to sell tickets. Remember - all profits help the club which in turn helps you.

Once again remember to have fun and enjoy the term. If you have any questions please speak to any one of the friendly members in RED shirts.

*Karen Jenkins, President*

# MURAL

As part of the 30<sup>th</sup> Anniversary of the Queanbeyan and District Dog Training Club the Committee approached Margaret Hadfield Gallery Studio to undertake a mural of the dogs who make up the club. Thank you to the members who sent in photos. The artwork is being undertaken by Margaret Hadfield with students Jan Loose (our Secretary) and Jo Hogan. It was discussed that the mural would be painted on the shipping container walls overlooking the deck. Here are photos of the progress.

We are looking forward to how this will progress and the finished product.
